GLADES FINANCIAL

(Continued from Page One)
will stand considerable use, for borrowers that qualify.
While the government funded both institutions and loaned money in their swaddling clothes, neither organization has cost the taxpayers a cent; the users have repaid early loans, have accumulated surpluses through interest paid on loans and are now able to do quite well for their cooperative participants.

The Federal Savings & Loan is strictly a Glades organization and the Farmers Production Credit has leaned heavily on the Glades since its inception. Incidentally, there is another organization, strictly Glades conceived, organized, owned and operated — the Seminole Life Insurance Co., which has shown a most unusual growth in number of policy holders and a consistent growth in income. Near a 50% increase in the amount of business on the books was effected in 1957, and plans are afoot to pass the percentage of increase in '58 over '57.

A substantial portion of this business is in the Glades and Palm Beach County.
In these days of uncertainty of the importance of "Mutual Funds" and the susceptibility of politicians to shading reports of our economic health, it's well to take stock of our own condition.

The goose hangs high, and

all's well," it seems, but that does not relieve such communities as ours to "hoe corn and dig 'aters" in our own backyards.
Fifteen years ago, how well would the Glades economy have stood the shocks of the past two years, plus that of the past two months?

Belle Glade Insurance Men Win Recognition

Five Belle Glade men were instrumental in winning for the Okaloosa area organization of Life Insurance Company of Georgia the distinction of being the outstanding district among 125 similar organizations with more than 3,000 sales representatives in 11 southern states.

They are Staff Manager R. E. Kishler and Agents Ralph Prescott, A. C. Hitchcock, C. S. Newman, and G. A. Carr. Headquarters of this district are in Pahokee, where C. A. Batcher is manager.

The district won the John Newton McEachern Trophy, a

THE RIGHT MATERIAL

"Manzate" controls early blight, late blight, gray leaf spot straight through the season... and does it better. With "Manzate" there's no need to switch from one chemical to another.

THE RIGHT WAY

Apply spray to plant, making sure that fruit, stem and both sides of leaves are thoroughly covered. If applied improperly, even the best fungicide will be wasted.

On all chemicals, follow label instructions and warnings carefully.

THE RIGHT AMOUNT

1 1/2 pounds per 100 gallons, thus the 4 1/2 pound bag is just the right amount for 300-gallon sprayers. For 200-gallon sprayers, use the 3-pound bag size. Combine the two for 500-gallon tanks.

THE RIGHT TIME

Begin spraying when plants become established; repeat at 5 to 7 day intervals and even more often if disease situation in area is critical. Spray immediately after picking to protect inside foliage.

LSHS Bobcats Cop Two Victories

Two basketball victories in the past week have given the Lake Shore High School Bobcats a 5-2 season mark. Ben McCoy's quintet rolled over Stuart Training, 44-33, Monday night and stopped Carver High of Delray Beach Jan. 17, 28-24.

The Bobcats face Northwest on Roosevelt tonight and take Delray Beach Jan. 27. Their five victories were at the expense of Okeechobee twice, and once each with Stuart, Clewiston and Delray Beach. Stuart and Roosevelt each defeated the Bobcats once.

The girls' team lost, 30-18, to Delray Beach and won, 20-24, over Stuart. Their season record is 2-5 and Mrs. P. Speights is coach.

Eddie Gainer and Ira Wilson each get 15 points in the Stuart victory. The two boys have been great rebounders all season long, McCoy said.

Other council members include George McKay, Harvey Poole, Mrs. Elizabeth Powell and Miss Bernice Jackson. Prizes and records were awarded last night. Proceeds of the event will be used to outfit two to four basketball teams of junior members of schools at the camp and in this area.

High school boys from Glades schools will coach the teams from Okeechobee Elementary, Rosewood, Bryant, Everglades Elementary and Lake Shore. This program has received the full support of schools and individuals in the community.

All in your Community. The Community builds from conveniences.

Your Directory Merchants and Business People enjoy sponsoring these BUY-RIME contests for you. It is pleasant to hear you tell about it. And it is profitable for them. Next time you go into one of the BUY-RIME Directory Sponsors' place of business, tell him about the pleasure you derived from trying in your time. And you will also have the fun of spending your prize.

Should the "Hidden Slogan" be "Shop with savings in your own Community, your BUY-RIME might be: You will find friendship and value opportunity."

HIDDEN SLOGAN: "He is a valuable member of the team."

WINNING SLOGAN: — "Who makes 'Trade at Home' his battle scream!"

This week's winner: Mrs. Roy L. Cox, Clerk, Clewiston, Florida.
